Dear Sirs:

POSTAL REGULATORY
COMMISSION

We are United States citizens who depend on using the USPS for many aspects of our lives.

We are concerned about Postmaster General Louis DeJoy's 10 year plan to reorganize the Postal Service. We are concerned that he will dismantle the Postal Service to privatize it. He has had no prior experience in organizing a postal service. In 2020 we found his leadership led to a loss in public confidence in a great institution which is highly valued by the American public. He has shown that he is not the person to continue leading the United States Postal Service!

There are challenges ahead for the USPS, but Louis DeJOY NEEDS TO BE REPLACED BY NEW LEADERSHIP!

Yours truly,

Katsumi Hikido
